

## Reaching People and Building Bridges Ideas

- 1) Lift friends and family members up in earnest prayer
- 2) Send them magazines & literature such as *Signs of the Times*, *Message magazine*
- 3) Call to express your concern for their family and how they are doing
- 4) Set a high standard when among colleagues – No obscene joking or participation in them – In your conduct become a stumbling block
- 5) Associate with unbelievers for the purpose of winning them to Christ
- 6) Ensure that your connection with God makes you strong spiritually so that you can withstand any wrong influences exerted by the unconverted
- 7) Be courteous, be pitiful, love will do that which argument will fail to accomplish. Don't let a moment of rudeness, a single gruff answer, a lack of Christian politeness & courtesy in some small matter, result in loss of both friends and influence. A kind courteous Christian is the most powerful argument that can be produced in favor of Christianity
- 8) Invite your neighbors to your home and read from the precious Bible and from books that explain its truth.
